

Prepare your children
for Kindergarten

Home Instruction for Parents of Preschool Youngsters

The HIPPY program was established in 1969, and since then has been refined to provide your children with the best home instruction available. FREE!

With the HIPPY program your children will be ready for Kindergarten and Grade one and all of the challenges that the school environment presents.

Much research has proven that HIPPY enhances your children's educational experiences and enhances their educational success. Through this program your children will develop their gross motor skills, fine motor skills, social skills and much more.

Through Vancouver Native Health Society, Aboriginal Child and Family Support Services offers this program to Vancouver's Aboriginal community to enhance Aboriginal children's experiences in school.

HIPPY is about spending fifteen minutes a day with your children and a story-book, a puzzle, or a learning game, so they can prepare themselves for the challenges that they will face in school.

HIPPY will provide you with weekly easy-to-use activity packets that will help you teach your children how to **follow directions**, **solve logical problems** and **succeed in school!**

Lesson Plans are:

Fun for you and your children

Creative and Imaginative

Proven to be successful

Educational and Interactive

Teach your child to follow directions

Through its home visitors, the HIPPY program works with low-income and socially excluded families, teaching parents to help improve their children's linguistic, social and cognitive skills, and building a framework that enables children to flourish.

A HIPPY home visitor will come visit your home on a weekly basis to work with you the parents on your children's weekly activities, bring all the supplies you need, and will answer any questions you may have regarding your child's progress.

At the end of the year there will be a HIPPY graduation ceremony held in your children's honor to mark their awesome achievement!!
