**Funded by the Ministry for Child and Family Development**

**ABORIGINAL CHILD & FAMILY SUPPORT SERVICES**

**Aboriginal Infant Development Support Workers:**

**OUR MISSION STATEMENT:**

To provide family support for families with Aboriginal children through

Fostering and nurturing a safe and healthy family environment between families and community services

Empowering families to become active participants in the community

Learning, growing and strengthening our families, our team and our community

## **The Aboriginal Infant Development Program:**

The Aboriginal Infant Development Program at The Aboriginal Child & Family Support Services is pleased to provide the culturally sensitive/developmental programs for the Aboriginal families who reside only in the Vancouver region and have children's ages 0-3

### **The benefits for parent and child:**

- ❖ Get to meet other families in the Vancouver community
- ❖ One to one consultation with the AIDP support worker
- ❖ Home visits
- ❖ Informal assessment of child and family needs that are culturally sensitivity and meaningful
- ❖ Provide positive parent-child relationships
- ❖ Cultural knowledge and activities
- ❖ Provide appropriate referrals when necessary or as requested

### **The Aboriginal Infant Development Program can offer unique Programs:**

1. To help further develop your baby's skills and abilities
2. Nobody's Perfect Parenting
3. Aboriginal Parent Child Mother Goose
4. Circle of Security Parenting Program
5. Ages & Stages Questionnaire
6. Infant Message
